by Raymond T. Yeh, with Stephanie H. Yeh

and

## Announcement of

### *Enterprise Clinic™*

### Comments about *The Art of Business*

Earl Bakken, Co-founder, Medtronic: *"It is with humility that I commend Dr. Raymond Yeh, and thank him, for writing this most important book."*

Herb Kelleher, Chairman of Southwest Airlines: *"This book is an inspirational revelation and a seminal contribution."*

Tim McClure, Co-founder, GSD&M: *"I've nicknamed this profound book Ray's Way, as he is certainly on the right path."*

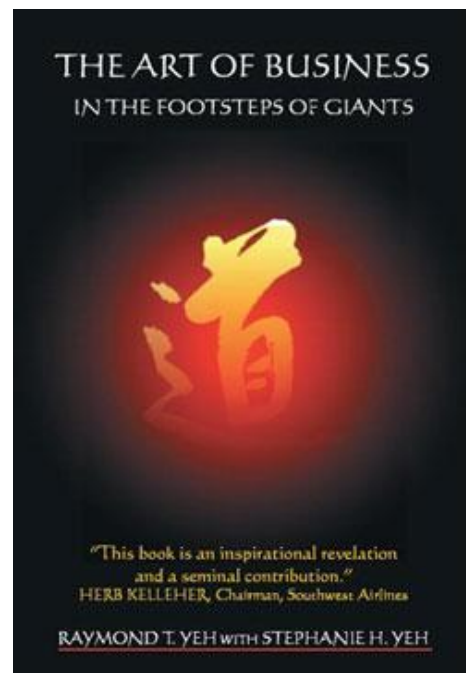

Red McCombs, Chairman of McCombs Enterprises: *"This book is timeless."*

Barry Munitz, President and CEO, J. Paul Getty Foundation: *"This book is an elegant and insightful masterpiece."*

Pike Powers, Managing Partner, Fulbright and Jaworski, L.L. P. Austin: *"I urge you to read this very fine work. The experience will make a difference in the quality of your life!"*
